CALIFORNIA CERTIFIED FLORIST EXAM

9:00 am – 4:00 pm

The California Certified Florist Program (CCF), underwritten by the California State Floral Association (CSFA), is a statewide certification program that evaluates and accredits the craftsmanship and professional skill level of florists in California.

CLASS REGISTRATION

8:00 am – 1:00 pm

HANDS-ON DESIGN WORKSHOPS

9:00 am – 12:00 pm

► Leaf Manipulation Workshop

Instructor: Anthony Alvarez, AIFD, CCF, EMC

In this fun, fast paced workshop Tony will share ideas for creating stand alone green designs with just a florist knife, scissors, a stapler, glue dots and some of the common florist greens! Learn how to fold, sculpt, pleat, roll, pinch, twist and alter foliage in unique, innovative ways. Designers should bring their tool box with wire cutter, scissors, stapler and florist knife. We will provide the rest of the supplies needed for this workshop. Anthony Alvarez AIFD, CCF, EMC is a professional floral designer. He serves on the board of directors for the California State Floral Association and was recently awarded a European Master Certification in Bruges, Belgium. Tony is also a founding member of the California Certified Florist program.

► Hand-Tied Bouquets, Packaging & Wedding Bouquets

Instructor: René van Rems, AIFD

Learn how to create the easiest and lightest style of hand-tied bouquet and a “country” wedding bouquet with novelty summer flowers, foliage, and botanicals. René will showcase different techniques for easy application and cover best practices for longer lasting flowers. European style “value” added retail packaging will also be covered.

René van Rems, AIFD is a local resident and internationally renowned designer, author, presenter, and instructor extraordinaire. Amsterdam, Holland born master designer René van Rems, AIFD, has lived and worked in California ever since he arrived as a horticulture exchange student 41 years ago! After six years of horticulture and floriculture education and training in Aalsmeer, Holland he moved to England after which he set sail for the USA. His multiple national award-winning work has appeared on TV, in numerous national and international magazines and at over 600 live design presentations locally, nationally and internationally. He is proud to have presented 6 AIFD National Symposia. In 2016 René was the recipient of the highly esteemed AIFD “Award of Design Influence”. His consulting and creative design marketing co., Rene van Rems, Intl. is based in Carlsbad, CA www.renevanrems.com

HANDS-ON DESIGN WORKSHOPS

1:00 pm – 4:00 pm

► Garland Construction – Basics and Beyond

Instructor: Anthony Alvarez, AIFD, CCF, EMC

Recent trending searches on social networking sites, design publications and shelter magazines show a continued interest in decorating with garlands. Join us for a look at different construction techniques using fresh and permanent botanicals. Included in the class are all the materials you will need to create a fresh tabletop design as well as ideas and tips for using your designs in unexpected locations for seasonal events, weddings and shop displays. You will need to bring floral shears or florist knife and wire cutters to this hands-on workshop.

► Body Flowers

Instructor: Steven Brown, AIFD, CFD, CCF

In this educational and fun-filled workshop you will learn how to create beautiful flowers to wear that express the emotions you want to convey. You will also learn the latest techniques in care and handling to make your design stay fresher and last longer.

Steven Brown has been teaching at CCSF for the past 29 years. He is currently serving as the faculty elected Chair for the Environmental Horticulture/Floristry Department. This Fall he begins his seventh term. He received his B.S. degree from California Polytechnic State University, San Luis Obispo; Lifetime Teaching Credential State of California at UC Berkeley; and additional Coursework City College of San Francisco and UC Berkeley Extension. Steven’s goal is to facilitate the best possible learning experience and environment possible in Horticulture and Floral Design. Steven represents City College in/at many related groups and organizations including: the American Institute of Floral Designers, California State Florists Association (Board Member), Master Florists Association (Board Member), Ikebana International (Lifetime member), the San Francisco Conservatory Advisory Board, Specialty Cut Flowers Growers Association, Teleflora’s Northern California/Nevada Unit (Board Member), and is an Honorary member of the San Francisco Garden Club and San Francisco Gardener Apprenticeship Advisory. Becoming a California Certified Florist

Our mission is to establish, promote and maintain a program of professional floral design certification, through education to employees and owners of floral businesses and to the public in the State of California, and to provide members with continuing education programs and services.

The California Certified Florist (CCF) Program recognizes proficiency of professional knowledge and expertise. Testing is based on suggested reading materials and practical design experience. The CCF certificate is maintained and renewable by keeping annual dues current with The California State Floral Association (CSFA), attending professional events, and participation in continuing education workshops.

Applicants may pursue certification independently or may be sponsored by their employer. Sponsored applicants who attain certification will receive a certificate for their employer to proudly display. Certification requires the applicants successfully pass a one-day exam consisting of written and practical components. The exam is scheduled annually and may be held in various locations throughout the state. Maintaining your CCF certification occurs when CCF annual dues are kept current and any continuing education requirements are met.

California Certified Florist (CCF) certification is open to:

- Retail Florists and their Employees
- Party and Event Designers
- Freelance Floral Designers
- Floristry Students
